I just got to get used to it I guess LOL it is what it is . . . ;  
NOTHING EVER MAKES IT TO THE INTERNET PRESS EVER PERIOD . . . ;  
They are gaslighting you to get a reaction, never react, never  
give the gang stalkers Narcissists attention, plead five, and  
your Narcissitic family is only there to give you a psych  
history.

Lesson Learned : Stay away from psychiatry, Group Homes are  
another form of Satanic Ritual Abuse, MKULTRA CIA, The Finders  
Cult, Human Trafficking, Freemasonry a Cult, People in Group  
homes mostly children are Trafficked and used for PTHC or  
Child P\*\*\* and we all know this Internet Exposed it, just

Look Up Uncle Sam's Snuff Factory, Mr Pickles Circus and  
Katy Dylan Groves and Karly Noel Franz, we all know this and  
Prussian Based Schools are only there to indoctrinate us with  
the Fake Jewish Talmudic Victor Version of WWII History . . . ;  
My Narcissitic Cult Controlling Believe or Go To Hell Family  
Socially Engineered me into Psychiatry, my brother another  
Perp Gang Stalker, cheered (yes) when I was on the way to  
getting

my mental evaluation done, my family already disowned me behind  
my back and refuses to mention it to me, on the way getting my  
mental evaluation done, my family kept calling in the phone to  
make stuff up and escelate the situation then the police came  
and questioned me whilst also threatening to kill me by  
smashing

my skull with the handle of a gun, this happens in all mental  
hospitals, Psychiatry is not a Science, It is Quackery for the  
Government Mafia, Medications are not based on Science,  
Psychiatric Drugs mostly kill and cause organ damage . . . ;  
There is no science to Psychiatry, none, it is a Government  
tool

of Eugenics, it is Quackery, Bipolar is not a real mental disorder,  
anyone telling you Psychiatry is legit is clearly a shill . . . ;  
Neurology is the only legit one, not Psychiatry ever . . . ;  
I should have plead the fifth, not reacted, and just ignored my  
Narcissitic family I knew Aaron Clarey was the right guy to  
tell  
me that your parents are Narcissitic leave and he was right.  
Literally I was going to have my brains bashed with a gun by  
a cop during my psychiatric evaluation all because my family  
screamed on the phone, escalated things and made the police  
confront me, point a gun at my head, threaten to bash my head,  
know I just realized, The Olympia Police Department does  
nothing  
to fight or prevent crime, instead they abuse the mentally ill,  
the homeless, the disabled, the blind, the deaf and other  
people.  
This reality, most of what goes on in life is simple Human  
Trafficking  
by The Freemasons aka Our Government who run all the pedophile  
networks  
and I can tell you my whole child hood I was raped and molested  
and that  
was it, that is all I can ever tell you, raised by Narcissits  
is a very  
informative group on reddit and it is worth a look if you have  
not, if  
you are in the situation of organized stalking by freemasons  
and family  
aka your Narcissits you must ignore them, never react, plead  
the fifth  
or else you will end up with a psych history like I did, Masks  
are useless,  
Vaccines are useless, Antipsychotics are not based on science  
and all it  
is about is Eugenics so Alex Jones was half right, but he will  
never tell  
you that Talmudic Jews brought this about and that is the real  
truth of it,  
so many mentally ill vulnerable people with a bogus psychiatric  
label get  
abused by the police and beaten during a psychiatric evaluation  
and this  
never ever makes it to the internet or press so everything is  
censored,

you can't even say humans become telepathic ghosts when they  
die or

Martians started religion on our internet without Zionist  
Censorship. ;

Sexual Abuse leads to fetishes such as Circumcision Fetish LOL  
I know.

I just got to get used to it I guess LOL it is what it is . . . ;  
This kind of stuff is so promoted in Hollywood Movies and  
Television.

Sexual Abuse also leads to Built up anger that you release then  
you

end up with a bipolar label or schizoaffective if you lash  
out . . . ;

What psychiatrists and psychologists know about the brain is  
pure BUNK,

only neurologists can know and understand the brain  
period . . . ;

I just got to get used to it I guess LOL it is what it is . . . ;  
So the whole time, my family disowned me, socially engineered  
me into

a psych history when I should have ignored them, plead five,  
not reacted,

and lastly because I am on a Patriot Act WL The Freemasons in  
Government

are only there to Stalk and Harass me 247367 also known as Gang  
Stalking,

or Organized Stalking, it not new, ran by Sheriff's Departments  
..... ;

The Cops are Freemasons, so is Hollywood, so are  
Celebrities . . . ;

It is not new, a secret society that is not secret, old hat . . .  
;

B'nai B'rith of the ADL runs the show by Talmudic Jew  
Rule . . . ;
